

Humble Recognition of God's Greatness

For Yours is the kingdom and the power and the glory forever. Amen.
This doxology at the end of the Disciple's Prayer declares that God is God, and we are not! He is omnipotent, eternal, glorious King of the universe! These words express our submission to Him.

Question: *Why is this phrase excluded in some Bible translations?*

- Ancient 'families' of texts – no copy machines!
- 'Old and few' versus 'Not-so-old and many'
- Yours is the kingdom – *I submit to you as my King!*
- Yours is the power – *I trust you as omnipotent God!*
- Yours is the glory – *I am in awe of your splendor!*
- Amen – *God, my confidence is in You!*
